## ABOUT VAUXHALL LAW CENTRE

Vauxhall Community Law & Information Centre provides a free legal-advice service in Liverpool. We've been in our community since 1973, giving support on a range of social-welfare issues. We provide access to justice to our communities with regards to welfare benefits, debt and housing.

## CLIENT TESTIMONIAL

*Regarding the help and support we received - my brother would not have had the confidence to appeal his PIP decision, which he did and won. This centre is a lifeline for people who feel alone in all kinds of situations and there is no judgement, thanks for your support.*
